How To Use Remote Desktop Connection (PC)

By: Justine Cucchi

Step 1: Make sure you are connected to the VPN

- Currently, WSU is using the software GlobalProtect
- You can access tutorials for connecting here: <u>https://tech.wayne.edu/kb/security/wsu-virtual-private-network/500212</u>
- Here too: <u>https://tech.wayne.edu/kb/security/two-factor-authentication</u>

Step 2: Navigate to the bottom corner of your PC

Step 3: Type in Remote Desktop Connection

Step 4: Click on the program Remote Desktop Connection

WAYNE STATE School of Information Sciences

Once it is open, you will see the following box

Step 5: Type in the IP address of the computer you wish to connect to

Step 6: Click Connect

Step 7: If this box comes up, click Connect

After either Step 6 or 7, you will see the following box

Windows Security	×
Enter your credentials	
These credentials will be used to	connect to 141.217.97.
User name	
Password	
Domain:	
Remember me	
OK.	
UK	Cancel

Step 9: Enter your SIS Domain credentials (if you would like the computer to not ask for them again, check the Remember Me box)

Windows Security		×	
Enter your credentials			
These credentials will be used to	connect to 141.217.97.		
slis\fo0074			
•••••	••••• •		
Domain: slis			
Remember me			
	Cancal		
01/	Cancel		

If the connection is successful, you will see the following box

Remote Desktop Connection — 🗆	×
nemote Desktop Connection	×
The identity of the remote computer cannot be verified. you want to connect anyway?	Do
The remote computer could not be authenticated due to problems with its security certificate. It may be unsafe to proceed.	
Certificate name	
Name in the certificate from the remote computer:	
Certificate errors	
The following errors were encountered while validating the remote computer's certificate:	
The certificate is not from a trusted certifying authority.	
Do you want to connect despite these certificate errors?	
Don't ask me again for connections to this computer	
View certificate Yes No	
Hide Options Connect Hel	

Step 10: Click on Yes
